

Consunji brothers conferred Distinguished Bedan Awards

Isidro and Victor Consunji were recently recognized as Distinguished Bedan Awardees for Business by the San Beda College Alumni Association (SBCAA) for their exemplary and responsible leadership, multi-faceted lifeworks and steadfastness to the cause of Philippine business.

Awardees are also chosen based on their commitment and service to the Bedan Community and dedication to the Benedictine ideals of *Pax, Ora et Labora* (Peace, Prayer and Work) and the Bedan values of *Fides Scientia et Virtus* (Faith, Knowledge and Virtue).

Isidro A. Consunji is the Chairman and President of DMCI Holdings, Inc., the leading diversified engineering conglomerate in the Philippines.

Victor A. Consunji is the President and Chief Operating Officer of Semirara Mining and Power Corporation (SMPC), the only vertically integrated power generation company in the Philippines.
