Head, Disclosure Department

Gentlemen:

We reply to your request for clarification on the news article "Myanmar opportunities eyed" posted in the *BusinessWorld Online* on August 4, 2013. The article reported in part that:

INFRASTRUCTURE conglomerate DMCI Holdings, Inc. is looking for opportunities in Myanmar's real estate sector, a top company official said on Saturday.

Victor S. Limlingan, the firm's managing director, said in a phone interview that a group of DMCI Holdings executives led by the conglomerate's president, Isidro M. Consunji, visited the Southeast Asian neighbor from July 16 to 19.

"We were primarily interested in the real estate situation there. We learned that there is a shortage of housing," Mr. Limlingan said.

.....

"We were looking for a local partner. We talked to several people," Mr. Limlingan said.

.....

We confirm that several of our executives went to Myanmar to seek business opportunities including real estate. However, these were exploratory and nothing definite has arisen. Should there be definite developments, we shall promptly make the appropriate disclosure to the PSE and SEC.

We hope you find said confirmation in order.

Thank you.
