Clarification of News Report

We reply to your request for clarifications on the news article entitled “P52.2-B South Commuter Railway Project contract signed” posted in Manila Bulletin (Online Edition) on April 27, 2023, it was reported in part that:

“A couple of contract packages of the South Commuter Railway, worth over P52.2 billion, was signed Thursday, April 27, 2023 in Malacanang, Department of Transportation (DOTr) Secretary Jaime J. Bautista announced.

The South Commuter Railway is part of the ₱873.62-billion North-South Commuter Railway system, the country’s longest rail line,

Construction of the two segments of the South Commuter Railway is expected to start in the last quarter of 2023.

The first package CP S-02 consists of a 7.9-kilometer elevated railway from Blumentritt to San Andres Bukid in Manila, with three stations - Espana, Sta. Mesa and Paco.

This segment of the South Commuter Railway will continue towards Calamba.

....

The contract calls for digging a tunnel that will connect to the Metro Manila Subway.

The first contract was awarded to the joint venture between Acciona Construction Philippines Inc. and D.M. Consunji Inc.

....”

This is to confirm that the joint venture of D.M. Consunji Inc. (DMCI) and Acciona Construction Philippines Inc., the local unit of a Spanish multinational, has signed a contract with the Department of Transportation (DOTr) for the South Commuter Railway Project -Contract Package 02 (SCRCP CP S-02). SCRCP CP S-02 has a total contract value of almost PhP 29 billion.

A part of the North-South Commuter Railway (NSCR) System, the package involves the construction of 7.9 kilometers elevated railway viaduct structure that includes elevated stations at España, Sta. Mesa and Paco. The project is targeted to commence by May 2023 and is designed to be completed in 1,612 calendar days.

Once completed, the NSCR railway system will cut travel time between the National Capital Region and CALABARZON Region from 2 hours and 30 minutes to an average of 1 hour and 12 minutes. The rail is expected to serve approximately 800,000 passengers daily

To date, DMCI has completed multiple rail projects such as the LRT Line 1 North Extension, LRT Line 2 East Extension, two PNR projects, and the Dubai Monorail in the United Arab Emirates.

Thank you.
