Gentlemen:

We reply to your request for clarification on the news article "SMC taps DM Consunji for P10.5-B eng'g proj" posted in *philSTAR.com* on July 23, 2013. The article reported in part that:

*MANILA, Philippines - D.M. Consunji Inc., the construction unit of the Consunji family's listed investment arm DMCI Holdings Inc., bagged a P10.5 billion engineering and construction contract for the NAIA (Ninoy Aquino International Airport) expressway phase II project.*

.....

*When asked for comment, DMCI Holdings chief financial officer Herbert Consunji said the contract is worth around P10.5 billion.*

.....

This is to confirm that D.M. Consunji, Inc. has been awarded the Engineering Procurement and Construction (EPC) contract in the amount of Php 10.5 billion for the NAIA Expressway project.

Thank you.
